

School Annual Education Report (AER) Dickinson West Elementary

March 6, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Dickinson West Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kristy Taylor for assistance.

The AER is available for you to review electronically by visiting the school's website <https://www.hamtramckschools.org/domain/154> or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a Comprehensive Support and Improvement (CSI).

Our M-STEP data scores reflect an achievement gap both in Reading and Math. We are actively working to address issues in all content areas through the use of whole and small group instruction. Members of our building actively participate in district Curriculum meetings to plan and adjust the core curriculum to fit the needs of our students. These systems have been put in place to close the achievement gap and sustain the implementation of high-quality instruction across the district.

State law requires that we also report additional information.

- Student are assigned to Dickinson West and all of Hamtramck Public Schools based on geographic location. However, parents may request a particular school for their child to attend if space is available.
- The Michigan Continuous Improvement Plan has been prepared by the staff of Dickinson West and central office staff of Hamtramck Public Schools and submitted to the Michigan Department of Education. This plan will guide the decisions we make for the success of the students.
- The core curriculum is aligned to the state model and can be accessed on Hamtramck Public Schools District web site at (<http://www.hamtramckschools.org/>) or in hard copy upon request from the main office. Teachers have been trained to align their classroom instruction to the mandates of the Michigan Department of Education Standards.
- The M-Step test is taken in the spring of each year. 19% of students were proficient on the ELA M-STEP test. 11% of students were proficient on the Math M-STEP

The students of Dickinson West Elementary School have made encouraging gains in educational achievement over the past year. This increase in data is a direct result of the parent involvement, high quality instruction, student work ethic, staff dedication, professional development and planning. We thank you for trusting the Dickinson West staff to work with you in the journey of educating you child.

Sincerely,

Kristy Taylor
Principal, Dickinson West Elementary
